

Hard Dollar Expands Project Cost Management with CBA, Inc., a New Authorized Reseller

Scottsdale, Ariz. -- (August 17, 2010) - Hard Dollar Corporation, the global leader in Project Cost Management, a dynamic solution to improve project cost and productivity; announced today their newest authorized reseller: Critical Business Analysis, Inc. This marks the 20th addition to the HD Authorized Reseller Partner (HARP) program, alliances that have played a crucial role in the rapid Project Cost Management growth both domestically and internationally.

"As HD continues to excel as the leader in Project Cost Management solution, we look to add key business partners around the globe," said Jeffrey Nesbitt, Hard Dollar Channel Manager, North America. "CBA's expertise in project management is a perfect match for the powerful HD solution, offering customers the ability to combine measurements of scope, schedule, and cost in a single integrated system."

"HD provides the best features to our customers using Oracle's Primavera P6, utilizing 2-way integration allows our users to easily create cost and resource loaded schedules. So it is a natural fit for us to partner and deliver the industries best tools for forecasted and real-time Cost and Productivity project management," Patrick Serafino, CBA, Inc. Vice President of Operations said.
